

VIETNAM – JAPAN EXHIBITION ON SUPPORTING INDUSTRIES

MESSAGE FROM THE ORGANIZERS

Vietnam – Japan relationship has reached great achievements in terms of FDI. Japan ranks first among the countries and regions who have the largest implemented investment capital in Vietnam. As of March 2013, number of projects from Japan investing into Vietnam was 1900 with total of registered investment capital was over USD32 billion, and the implemented investment capital attained about USD 10.5 billion. A large number of Japanese companies, particularly the ones operating in Japan and China when being asked by the survey conducted by JETRO in early March this year replied that they wanted to expand their production in Vietnam. Vietnam has been still evaluated as a significant production base and an attractive market by Japanese investors so far.

However, the procurement rate of raw materials and parts by Japanese companies in Vietnam was only 27.9%. It was not so high in comparison with this figure in other neighboring countries such as 42.4% in Malaysia, 43.0% in Indonesia, 45.2% in India, 52.9% in Thailand, and 53.3% in Taiwan.

Therefore, JETRO and VIETRADE as the role of Governmental trade promotion agencies have co-operated to continuously organize “the 5th Vietnam-Japan Exhibition on Supporting Industries in Hanoi – called SIE 2013”, offering a place for Japanese exhibitors (as BUYERs) to show parts and components they expect to purchase in Vietnam and Vietnamese exhibitors (as SELLERs) to exhibit their produced accessories and production capabilities to Japanese companies.

The SIE 2013 is held under the framework of Vietnam-Japan Economic Partnership Agreement (VJEPA), which was signed by the two Governments in December 2008 and took effect from 1st October 2009. It is also one of the themes of the Vietnam – Japan Joint Initiative of phase 3.

To attract more visitors to the show, the SIE 2013 is co-located with other 3 industrial specialized exhibitions, they are: “Japanese Monozukuri Technology Exhibition – JME” by the Executive Committee for Japan-Vietnam Friendship Year, “Vietnam Manufacturing Expo – VME” by Reed Tradex Thailand, and “Industrial Components and Sub-contracting Vietnam – ICS” by Hanoi Trade Promotion Center.

We are sure that the combination of these four shows will make great effect for both exhibitors and visitors and create good business opportunities.

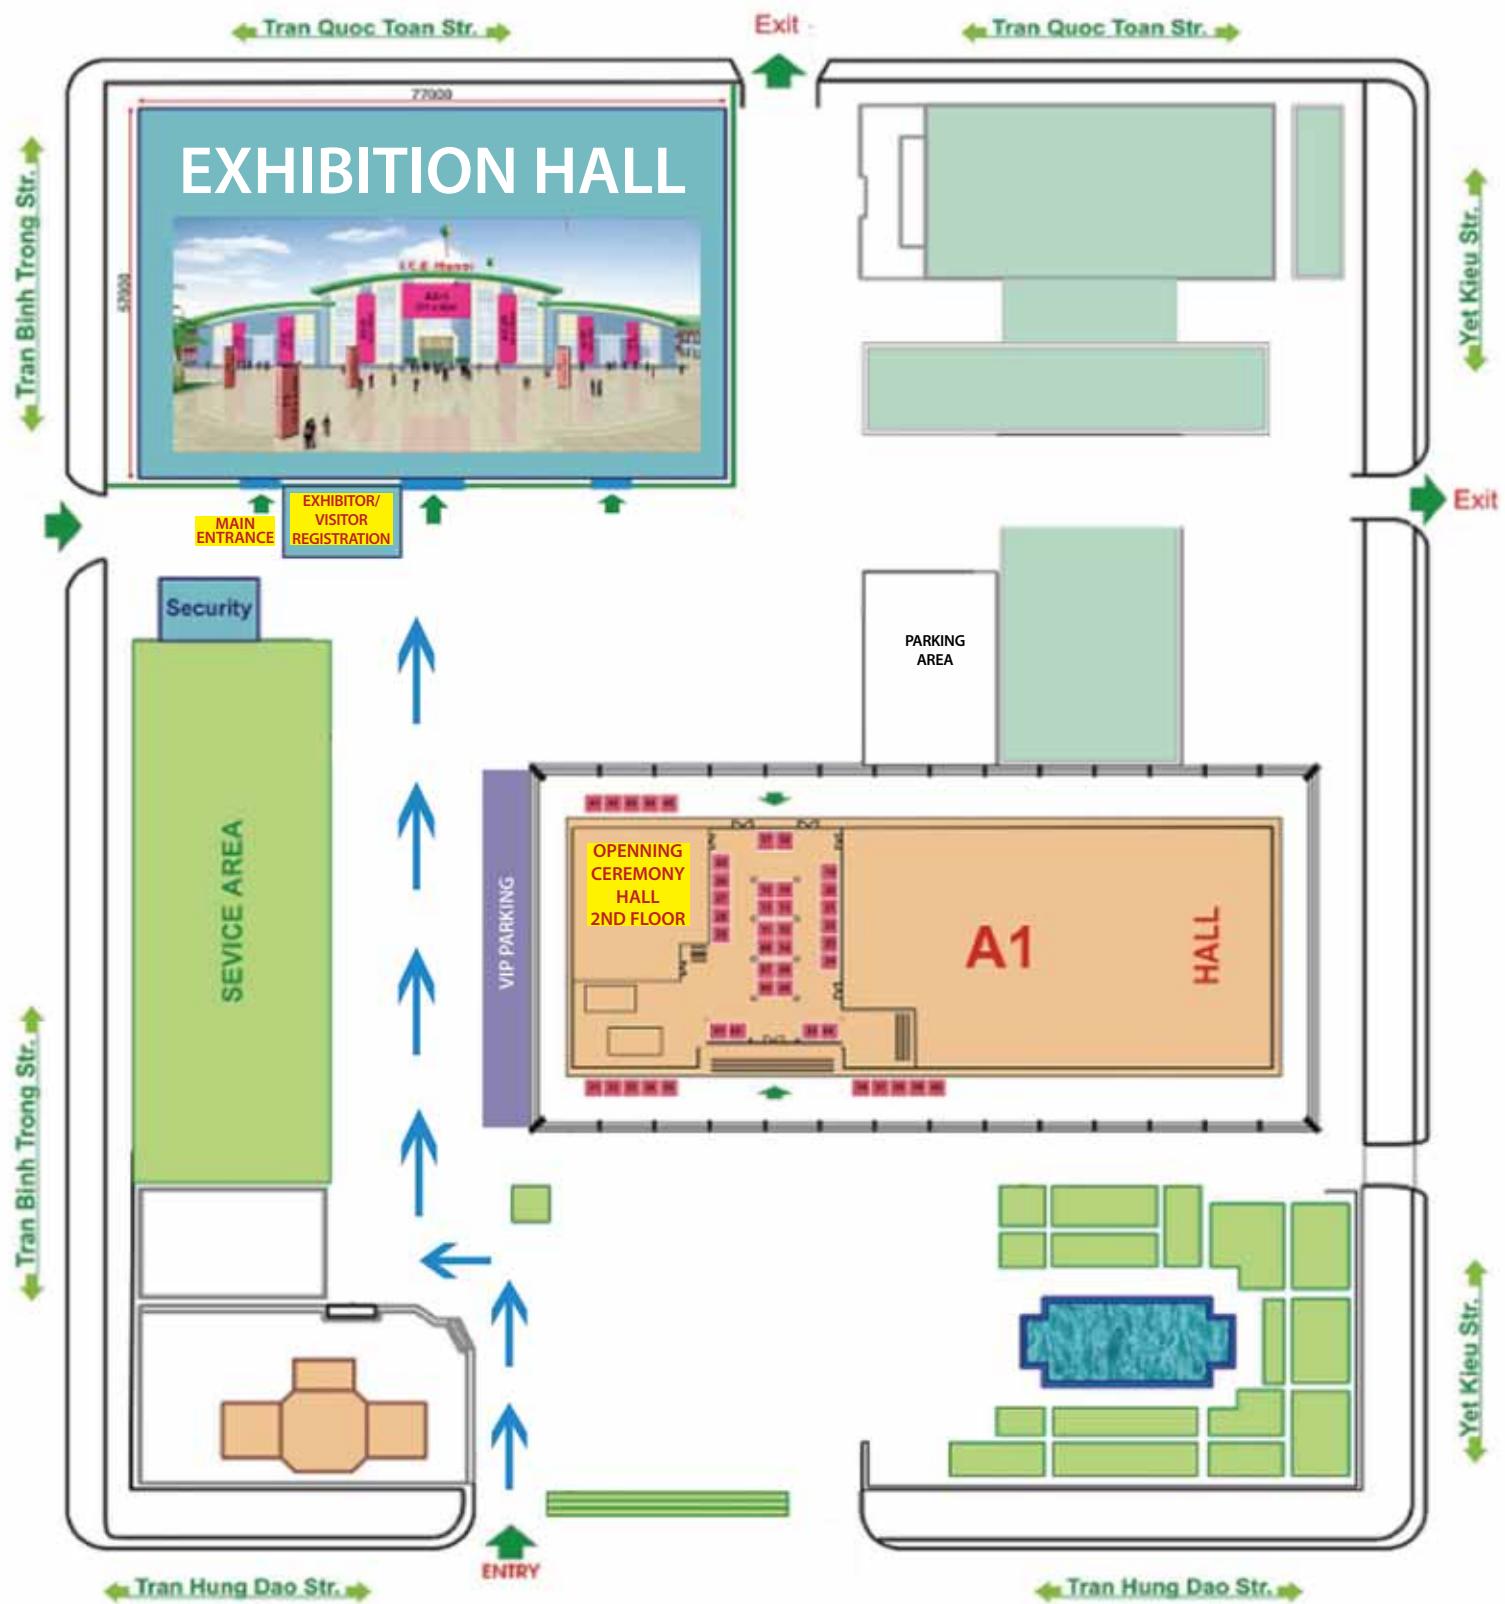

Also we expect all exhibitors and visitors take full advantage of this event for networking.

September 2013

AKITA OIL SEAL CO., LTD.

We look for the suppliers in field of Rubber Material and also we look for the mold makers.

Purchasing Items

Rubber Material

Use for: O-Rings, X-Rings
Minimum lot: N/A
Material: FKM, NBR, EPDM, Si, ACM (JIS B2401)

Rubber Material

Use for: O-Rings, X-Rings
Minimum lot: N/A
Material: FKM, NBR, EPDM, Si, ACM (Special Mixture)

Metal Mold

Use for: O-Rings, X-Rings
Minimum lot: N/A
Material: SUS NAK

Metal Mold

Use for: Rubber Parts
Minimum lot: N/A
Material: SUS NAK

O-RINGS

Use for: Automotive part
Minimum lot: N/A
Material: FKM, NBR, EPDM, Si, ACM

Rubber Parts

Use for: Automotive part
Minimum lot: N/A
Material: FKM, NBR, EPDM, Si, ACM

Company Profile

Establishment Year : 1984

Number of Employees : 280

Factory Address : 126-1, Horikiri, Toyooka-Kinden, Mitane-Machi, Yamamoto, Akita, Japan

Factory Space (m²) : 4,289

Charter Capital (USD) : 955,000

Turnover in 2010 (USD) : 21,000,000

Main Technology : Precise mini O-rings

Main Customers : Automotive part makers

Quality Certificates : ISO/TS16949:2009 ISO9001:2008

Other PR : AOS is manufacturing and selling high quality precision rubber parts such as O-rings, Packing, Rubber Gasket, Diaphragms etc.

Contact Information

Person in charge : Mr. GOKI WATANABE

Position : Tokyo Branch

Address (Office) : AK building 4-21-2 Kuramae, Taito, Tokyo, Japan

AZUMANEJI CO.,LTD.

We need to look for the suppliers in a field of Special machine screw, CNC&Machining parts, Die-cating, Press sheet metal part, technology

Purchasing Items

Hokyoukyakutan
Use for: **Office Furniture**
Minimum lot: **5,000 pcs**
Material: **SPHC**

Shaft
Use for: **Office Furniture**
Minimum lot: **1,000 pcs**
Material: **SWRM10R**

Bolts
Use for: **Car**
Minimum lot: **30,000 pcs**
Material: **S45C**

Bora
Use for: **Office Furniture**
Minimum lot: **10,000 pcs**
Material: **SS400**

Tanaukekanagu
Use for: **Office Furniture**
Minimum lot: **120,000 pcs**
Material: **SPCC**

G92848
Use for: **Office Furniture**
Minimum lot: **3,000 pcs**
Material: **SUS304**

Company Profile

Establishment Year	: 1961
Number of Employees	: 30
Factory Address	: 2-10-1, Isiwaru, Sumidaku, Tokyo, Japan
Factory Space (m²)	: 380
Charter Capital (USD)	: 125,000
Turnover in 2012 (USD)	: 10,000,000
Main Technology	: Press metal parts, Machine screw
Main Customers	: N/A
Quality Certificates	: ISO9001 ISO14001
Other PR	: Please leave custom-made parts with the drawing from a Customer from the trial production of a design phase

Contact Information

Person in charge	: Mr. NGUYEN HOANG TUNG
Position	: Director

BANDO MANUFACTURING (VIETNAM) CO., LTD.

We are looking for die-casting parts for motor bike/automobile

Selling Items

Cleaning Blade Holder
Use for: **printer, copier**
Minimum lot: **10,000 pcs**
Material: **Electrolytic Zinc**

Roller Shaft
Use for: **printer, copier**
Minimum lot: **10,000 pcs**
Material: **Steel Rod by non Electrolytic Ni-plating**

Pulley
Use for: **Automotive**
Minimum lot: **20,000 pcs/month**
Material: **Metal Stamping Part (Cold Rolled Carbon Steel Sheet)**

Spindle
Use for: **Automotive Transmission System**
Minimum lot: **15,000 pcs/month**
Material: **Steel, SUS(Casting or Forming)**

Rolle weight
Use for: **Scooter**
Minimum lot: **8,000 pcs**
Material: **Steel (no lead)**

Company Profile

Establishment Year	: 2012
Number of Employees	: 20
Factory Address	: RF No.3 Thang Long II Industrial Park, Yen My Dist., Hung Yen Prov., Vietnam
Factory Space (m2)	: 2,500
Charter Capital (USD)	: N/A
Turnover in 2012 (USD)	: N/A
Main Technology	: Manufacturing
Main Customers	: Motorcycle Manufacturers
Quality Certificates	: N/A
Other PR	: N/A

BROTHER INDUSTRIES VIETNAM

Brother Industries Vietnam would like to find the supplier for Printing and Fax machine such as: POLYSTYRENE PAD, CARTON BOX, BIG INJECTION PART, MOLDING MAKER, MOTOR, ROLLER, ELECTRIC PARTS (MAIN PCB, FFC HARNESS, THERMISTOR HARNESS), RUBBER KEY, CD ROOM

Purchasing Items

POLYSTYRENE PAD
Use for: **PACKING FOR PRINTING & FAX MACHINE**
Minimum lot: **250,000 pcs/month**
Material: **N/A**

CARTON BOX
PACKING FOR PRINTING & FAX MACHINE
Minimum lot: **250,000 pcs/month**
Material: **N/A**

BIG INJECTION PART & TOOLING
Use for: **PRINTING & FAX MACHINE**
Minimum lot: **250,000 pcs/month**
Material: **N/A**

MOTOR
Use for: **PRINTING & FAX MACHINE**
Minimum lot: **250,000 pcs/month**
Material: **N/A**

ROLLER
Use for: **PRINTING & FAX MACHINE**
Minimum lot: **250,000 pcs/month**
Material: **N/A**

ELECTRIC PARTS (PCB, FFC HARNESS, THERMISTOR HARNESS)
Use for: **PRINTING & FAX MACHINE**
Minimum lot: **250,000 pcs/month**
Material: **N/A**

Company Profile

Establishment Year : 19 January 2006

Number of Employees : N/A

Factory Address : Phuc Dien Industrial Zone, Cam Phuc Commune, Cam Giang Dist., Hai Duong Prov., VN

Factory Space (m²) : 185,000

Charter Capital (USD) : N/A

Turnover in 2012 (USD) : N/A

Main Technology : To Produce laser printer MFC/DCP

Main Customers : Brother Industries Ltd.

Quality Certificates : ISO9001/ISO14001

Other PR : N/A

CANON ELECTRONICS VIETNAM CO., LTD.

We are looking for the suppliers in a field of press and precision mechanical technology.
We are looking for the suppliers which manufacture and sell Motor parts.

Purchasing Items

Stack Core
Use for: **Printer**
Minimum lot: **300,000 pcs**
Material: **Non-Oriented electrical Steels**

Insulator
Use for: **Printer**
Minimum lot: **600,000 pcs**
Material: **PA66 Nylon**

Case
Use for: **RF Generator**
Minimum lot: **300,000 pcs**
Material: **Non-Oriented electrical Steels**

Commutator
Use for: **Printer**
Minimum lot: **300,000 pcs**
Material: **0.03% Ag-Au & Body: Phenol CN6641**

Shaft
Use for: **Printer**
Minimum lot: **300,000 pcs**
Material: **SUS420J2**

Metal Large
Use for: **Printer**
Minimum lot: **300,000 pcs**
Material: **Sintered bearings**

Company Profile

Establishment Year	: 2008
Number of Employees	: 1125
Factory Address	: Road 206, Section B, Pho Nai A IP, Van Lam Dist., Hung Yen Prov., Vietnam
Factory Space (m²)	: 109,954
Charter Capital (USD)	: 54,000,000
Turnover in 2012 (USD)	: N/A
Main Technology	: Components Printers Ink Jet Printers Motor
Main Customers	: Canon Electronics Inc, Canon Electronics Malaysia, Grandtai (HK), Sintai (HK), Canon Viet Nam Co., Ltd.
Quality Certificates	: ISO 9001:2008, ISO 14001:2004
Other PR	: N/A

CANON VIETNAM CO., LTD

We look for the suppliers in a field of electrical items for printers

Selling Items

Product name: **Precise Molding Parts, Foam, Resin**
Use for: **Printer/Scanner & cartridge**
Minimum lot: **2,500,000/pcs**
Material: **Plastic**

Product name: **Tape,Code Trip,Cod Wheel,Tube,Spur sheet,Cap,Screw, Magnet...**
Use for: **Printer & Scanner**
Minimum lot: **2,500,000/pcs**
Material: **PE,Silicon,Rubber...**

Product name: **Roller,Shaft,Rubber...**
Use for: **Printer & Scanner**
Minimum lot: **2,500,000/pcs**
Material: **SWC, SUM24L...**

Product name: **PCB bare board**
Use for: **Printer & Scanner**
Minimum lot: **2,500,000/pcs**
Material: **FR1/4**

Product name: **Capacitor, Inductor, Coil, Transformer**
Use for: **Printer & Scanner**
Minimum lot: **2,500,000/pcs**
Material: **Ceramic, Aluminum, Copper**

Product name: **USB cable, FFC**
Use for: **Printer & Scanner**
Minimum lot: **2,500,000/pcs**
Material: **Aluminum, Copper**

Company Profile

Establishment Year : 2001

Number of Employees : 25,000 employees

Factory Address : Thang Long Factory: A-1, Thanglong Industrial Park, Dong Anh Dist., Hanoi, Vietnam

Que Vo Factory : B-1, Que Vo Industrial Park, Que Vo Dist., Bac Ninh, Vietnam

Tien Son Factory: No.12, TS 10 Road, Tien Son Industrial Park, Tien Du, Bac Ninh, Vietnam

Factory Space (m²) : 600,000

Charter Capital (USD) : 306,700,000.00

Turnover in 2012 (USD) : N/A

Main Technology : Printing & Scanning

Main Customers : End users

Quality Certificates : ISO 9001:2000

Other Information :

DAIDO AMISTAR VIETNAM CO., LTD.

We look for the suppliers in a field of processing steel materials.
Our purchasing items are band Saw blade, Chip, Grinding Stone and Grinding Wheel.

Purchasing Items

Band Saw blade
Use for: **Cutting tool steel**
Minimum lot: **5 pcs**
Material: **N/A**

Grinding wheel
Use for: **Grinding tool steel**
Minimum lot: **5 pcs**
Material: **N/A**

Chip
Use for: **Milling tool steel**
Minimum lot: **100 pcs**
Material: **N/A**

Grinding stone
Use for: **Grinding tool steel**
Minimum lot: **100 pcs**
Material: **N/A**

Company Profile

Establishment Year	: 2008
Number of Employees	: 12
Factory Address	: Road B2, Pho Noi A Industrial Park, Hung Yen Province, Vietnam
Factory Space (m2)	: 1,000
Charter Capital (USD)	: 900,000
Turnover in 2012 (USD)	: N/A
Main Technology	: Raw material & Machined Plates
Main Customers	: N/A
Quality Certificates	: N/A
Other PR	: We manufacture machined plates for die and mold and have stock of specialty steels made by DAIDO STEEL, one of the largest manufacturers of specialty steel. Some of our materials such as NAK80 and DC53 are known globally.

Contact Information

Person in charge	: Mr.TAKAGI SATOSHI

DAIEI ELECTRIC CO., LTD.

We are looking for electric panel maker!

Purchasing Items

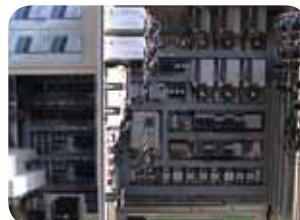

Main control panel
Use for: **Flat Display Factory**
Minimum lot: **1 pc**
Material: **Electric Devices, PLC System, ETC**

Inverter Panel
Use for: **Tire Factory**
Minimum lot: **1 pc**
Material: **Electric Devices, PLC System, ETC**

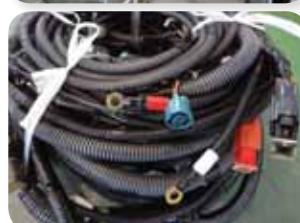

Control Desk
Use for: **Machinery**
Minimum lot: **1 pc**
Material: **Electric Devices, PLC System, ETC**

Exhaust Control Panel
Use for: **Flat Display Factory**
Minimum lot: **1 pc**
Material: **Electric Devices, PLC System, ETC**

Temperature Control Panel
Use for: **Sewage Plant**
Minimum lot: **1 pc**
Material: **Electric Devices, PLC System, ETC**

Wire Harness
Use for: **Motorbike**
Minimum lot: **50 pcs**
Material: **Wire, Connector, Plastic Cover, ETC**

Company Profile

Establishment Year : 1964

Number of Employees : 46

Factory Address : 3-2-53, Nishi Ward Kobe City, Hyogo Japan

Factory Space (m²) : 1,620

Charter Capital (USD) : 500,000

Turnover in 2012 (USD) : 4,500,000

Main Technology : PLC Software Development and electric panel design.

Main Customers : Rock Well, Mitsubishi Heavy Industry

Quality Certificates : ISO 9001

Other PR : We want to develop with innovative Vietnamese companies.

ENSHU SANKO VIETNAM CO., LTD.

We look for some materials for die parts and plating(surface finishing).

Purchasing Items

Cast Material and Cold Header parts
Use for: **Die parts**
Minimum lot: **1,000 pcs**
Material: **SUJ2, FC250**

Chemicals
Use for: **Surface Treatment (Plating)**
Minimum lot: **N/A**
Material: **N/A**

Cutting Tools
Use for: **Machining**
Minimum lot: **100 pcs**
Material: **N/A**

Highly Refined Metals
Use for: **Plating**
Minimum lot: **1,000 kg**
Material: **Zinc, Copper, Nickel, etc.,**

Stainless Steel, Copper, PVC, PP Plate and Bar
Use for: **Jig**
Minimum lot: **N/A**
Material: **SUS, Cu, PVC , PP**

Steel Material
Use for: **Die parts**
Minimum lot: **5,000 kg**
Material: **S45C, SUJ, SCM**

Company Profile

Establishment Year : 2011

Number of Employees : 120

Factory Address : Lot H4-2, Que Vo Industrial Zone, Que Vo Dist., Bac Ninh province, Vietnam

Factory Space (m²) : 15,097

Charter Capital (USD) : 3,500,000

Turnover in 2012 (USD) : N/A

Main Technology : Plating, Heat Treatment, and Machining

Main Customers : Car, Motorcycle, Machine, and OA makers

Quality Certificates : N/A

Other PR : We are the specialists for the "special process".

FUJI BAKELITE VIETNAM CO.,LTD.

We look for the suppliers which manufacture and sell the following products.

Screw parts, Mechanical parts (Machining), Mechanical parts (Heading), ZCT (Zero-phase current transformer), Coil assembling, Electronic circuit assembling, Plating (Zinc, Tinning, Nickel plating, Coppering), Plastic parts

Purchasing Items

Screw parts

Use for: **Circuit breakers**
Minimum lot: **20,000-
200,000 pcs/month**
Material: **Steel**

Mechanical parts

Use for: **Circuit breakers**
Minimum lot: **20,000-
60,000 pcs/month**
Material: **Steel, Stainless**

Coil assembling

Use for: **Circuit breakers**
Minimum lot: **20,000 pcs/
month**
Material: **provided material**

Electronic circuit assem- bling

Use for: **Circuit breakers**
Minimum lot: **10,000 pcs/
month**
Material: **provided material**

Plating

Use for: **Circuit breakers**
Minimum lot: **20,000-
60,000 pcs/month**
Material: **Kind of
plating(Zinc, Tinning,
Nickel, Coppering)**

Plastic parts

Use for: **Circuit breakers**
Minimum lot: **20,000-
60,000 pcs/month**
Material: **PBT, PA, POM,
PPS, PET, PF**

Company Profile

Establishment Year : 2013

Number of Employees : 130 (April 2015)

SANKO CO., LTD.

We need / look for the suppliers/manufacturers or workers
 [Electric Hot Air Generator] Sheet metals and/or thin plate working products
 [Far-infrared Conveyor furnace] Furnace component products and/or materials
 [Aluminum melting and holding furnace] Furnace material, Furnace installation and experienced workers

Purchasing Items

Electric Hot Air Generator

Use for: **to dry or heat up the products**

Minimum lot: **1 pc**

Material: **SUS, Aluminum**

Far-infrared conveyor furnace

Use for: **products need to heat uniformly**

Minimum lot: **1 pc**

Material: **SUS, Silicon belt etc.**

Electric Furnace for tempering

Use for: **Tempering at low temperature for tools mold**

Minimum lot: **1 pc**

Material: **N/A**

Holding Furnace for Aluminum

Use for: **to keep aluminum melted**

Minimum lot: **1 pc**

Material: **N/A**

Holding Furnace for Aluminum

Use for: **to keep aluminum melted**

Minimum lot: **1 pc**

Material: **N/A**

Turn table type Holding Furnace

Use for: **to keep aluminum melted**

Minimum lot: **1 pc**

Material: **N/A**

JAPAN INTERNATIONAL COOPERATION AGENCY

Organization Profile

Since joining the Colombo Plan in 1954, Japan has been providing financial and technical assistance to developing countries through ODA, aiming to contribute to the peace and development of the international community and thereby help ensure Japan's own security and prosperity.

JICA is in charge of administering all Japanese ODA such as technical cooperation, ODA loans and grant aid in an integrated manner, except contributions to international organizations. JICA, the world's largest bilateral aid agency, works in over 150 countries and regions and has some 100 overseas offices.

President : Mr. Akihiko Tanaka

Date founded : October 1, 2003

Capital : 7,782 billion yen as of March 31, 2013

Staff : 1,842 as of March 31, 2013

They are supplemented at any one time by thousands of Japanese experts and young and senior volunteers on both short-term and long-term contracts.

Organization Activities

1. Background of JICA's activities for SME/SI development in Vietnam

The development of Small and Medium Enterprises (SMEs) and Supporting Industries (SIs) is one of the essential issues for the achievement of promotion of economic growth and international competitiveness of Vietnam.

As the Japanese largest ODA-implementing agency, JICA Vietnam office is strongly implementing various kinds of ODA activities for SME/SI development as follows.

2. JICA's activities for SME/SI development in Vietnam

A) Improving SME policies and promoting public SME support measures

Counterparts: MPI/ Agency for Enterprise Development MPI/ SME Assistance Center

Cooperation: Dispatching Japanese experts, providing training courses in Japan for administrative officials

B) Financial support for Vietnamese SMEs

Counterparts: State Bank of Vietnam and Vietnamese commercial banks

Cooperation: Providing Yen-Loan for SME finances, providing training courses for bankers

C) Industrial human resources development and establishment of skill testing system

Counterpart: MOLISA/ General Department of Vocational Training Hanoi University of Industry

Cooperation: Dispatching Japanese experts, providing training courses in Japan for staff, providing equipment

D) Lectures for Vietnamese companies on Japanese business management

Counterparts: Vietnam Japan Human Resources Cooperation Centers

Cooperation: Dispatching Japanese experts, providing business courses for Vietnamese companies

E) Technical transfer to Vietnamese companies by Japanese engineers

Counterpart: MPI/ SME Assistance Center

Cooperation: Dispatching Japanese experts, providing consultation and advices for Vietnamese companies

JAPAN EXTERNAL TRADE ORGANIZATION (JETRO)

Organization Profile

Japan External Trade Organization is a Governmental-related Organization under the Ministry of Economy, Trade and Industry of Japan (METI). With 37 regional offices throughout Japan and 73 overseas offices in 55 countries in the world, JETRO's main function is to promote mutual trade and investment between Japan and the rest of the world. In the 21st century, JETRO has shifted toward strengthening foreign direct investment (FDI) into Japan and helping Japanese firms, especially SMEs expand their businesses into overseas markets.

With the aim of contributing to further development of economic relations between Vietnam and Japan and to the achievement of the prosperity in the region, the Representative Office in Hanoi has been conducting and involving in many various activities that brought mutual benefits to entrepreneurs of the two countries since its establishment in 1993.

Organization Activities

- Offer expert consultation with the latest legal writings and information relating to tax, customs, labor and investment procedures to Japanese investors who wish to invest or do business in Vietnam,
- Receive Japanese study missions to Vietnam for investment and business opportunities in Vietnam,
- Provide Japanese investors particularly SMEs with office space and facilities free of charge to promote their business and investment in Vietnam,
- Hold business matching between Japanese and Vietnamese enterprises in various fields,
- Organize an exhibition on supporting industries to match Japanese buyers with Vietnamese sellers,
- Hold workshops guiding new laws and regulations on Vietnam's business and investment issues for existing Japanese enterprises who are operating in Vietnam,
- React to inquiries from local and Japanese companies seeking information about potential partners,
- Create business chances for Vietnamese importers by inviting them to visit specialized trade fairs and production bases in Japan in fields of foodstuff, beverage, agriculture and supporting industries,
- Make a comparative survey of investment-related costs in major cities in the region and in Asia every year,
- Conduct an annual survey of current operation of the Japanese-affiliated firms in Asia and Oceania.
